### Day 1

On your first day in Cape Town, you will get to experience Robben Island. The ferry will depart from the V&A Waterfront for a 4-hour tour of Robben Island. You will get to experience the island's 500-year history, where thousands of South African freedom fighters were incarcerated. Including former President Nelson Mandela.

After your visit of Robben Island, you will be transported to Table Mountain, one of South Africa's most iconic attractions. Table Mountain stands at 1,086m above sea level. Table Mountain also considered as one of the world's richest floral regions. At the top of the mountain, you will be able to descend via cable car.

### Day 2

On your second day, you will get to learn more about South African wines. You will explore the scenic beauty of the vineyards, learn about the history of the Cape Winelands and, of course, safely taste wine from some of the best wine estates in the Cape. Township Tours: you will visit Langa Township, Cape Town's oldest Black Township. You will get to meet residents along the way and learn the language of the locals' isiXhosa, learn gumboot dance and traditional music.
